TOUR SPECTACULAR

Will meet at the church at 12 Noon and plan to eat in Shreveport (Bring \$ for fast food). We want to get in line to get good seats this year!! There will be Food items offered at the CenturyLink Center, but be aware they are expensive! If you plan to buy a CD or T-shirt, bring extra \$\$\$. Bring some snacks and you can eat while in line, we just can't take anything in! We won't be home until sometime around Midnight, but plan on being at Sunday School the next day!

Please Note: We will be limited to small bags maximum 6" x 9" or smaller. Small Medical bags will be permitted, as well as clear bags bigger than 6" X 9". All bags will be searched and no backpacks are allowed. There will also be an entrance that will provide faster entry for patrons with no bags.
